Dear Sir or Madam:

We have reviewed your Notice of Omitted Item(s) dated 9/29/2004. The problem is not in the included drawings, but rather in the Brief Description of Drawings that was filed. This section was outdated in the application filed 8/25/2004.

As I understand it, our best option is to resubmit the correct application, along with a Petition to the Commissioner to accept this new submission and a petition fee. I have attached the corrected application to this letter. We request that this application replace the incorrect application dated 8/25.

If this is not correct, please let me know and we will endeavor to comply.

Sincerely,

Harry B. Funk
